

Meet Shirley Muck...

The Networker

Hi Everyone.

My name is Shirley Muck. I own and operate Willow & Company, based out of Spearfish, SD. Willow & Company provides a private, confidential setting for people experiencing problem hair or hair loss.

Willow & Company is not a standard salon. We specialize in hair loss and troubled hair only, which gives us the opportunity to protect our clients privacy. Many of our clients are going through chemotherapy, radiation or are taking medications that cause hair loss. It is Willow's goal to give our clients back their dignity and quality of life while they are experiencing the side effects of treatments that are designed to treat their diagnosis.

It is also Willow's desire to work with Salons who do not work with hair loss issues, to give their clients the best care possible. When the client's hair is on the mend, they return to the care of their cosmetologist.

We are often asked about "Hair Transplants" which is a surgical procedure. When asked we have information available.

In my spare time I enjoy time with my family and friends. Mick and I have been married 42 years and have two children. Dave and Kelli have two children, Paige 7 and Porter 20 months. They live near Rockerville. Nancy and Jim Lei have two boys, Carter, 9, and Collin, 5. They live in Summerset, so we have our families close by. My favorite role is being a Grammy! I also enjoy sewing and counted cross stitch.

Working for the American Cancer Society as a volunteer and educator for the Look Good Feel Better program is another passion of mine as is being an educator for Nioxin Research Laboratories. I enjoy learning all I can about my specialty and new ways to help people.

Thank you for taking the time to know me and what I do better.

Sincerely,
Shirley Muck
