

Meet Liz Riley...

The poet Don Williams, Jr., said, "The road of life twists and turns and no two directions are ever the same." For this month's spotlight, that is very true.

Financial Consultant and Personal Banker Liz Riley found her way to US Bank after seven years of teaching music and two years of social work.

"From there I worked to earn my CFP designation and became an investment broker," said Liz. "My position at US Bank allows me to do a bit of everything —loans, deposits and investments."

But it was something totally different that brought Liz to the Black Hills — a Bed and Breakfast opportunity.

"So now I run the White Tail Ridge B & B, work at the bank and am the choir directory at Canyon Lake United Methodist Church. I think

maybe I'm working way too much," Liz said with a smile.

In her spare time, Liz enjoys spending time with her family — her husband and 15-year-old son. "I also have another son and an adorable 2-year-old granddaughter in Kingman, Arizona," she said. "Unfortunately, I don't get to see them as often as I would like."

Liz enjoys singing and performing. "I've done a fair amount of community theater in the past."

Her other hobbies are customized for the Black Hills area — golf, walking, hiking, travel and spending time with her friends

and family.

"We have been here a little over a year, but we really love this area," Liz said. "The warmth and friendliness of the people here are major factors that make us happy to call Rapid City and the Black Hills our home."
